The Honorable Max W. Bishop
American Ambassador
United States Embassy
Bangkok, Thailand

Dear Max:

Thank you for sending me a copy of the Prime Minister's letter to you regarding the dinner he was unable to attend in Bangkok.

While I missed the pleasure of his company, I do fully understand the situation that made it impossible for him to be present.

We had a delightful visit in Bangkok and greatly appreciate the warm hospitality shown to us by everyone while we were there.

Faithfully,
